MEMORANDUM FOR: See Distribution

FROM :

[REDACTED]  
Associate Deputy General Counsel

Robert M. Gates  
Director, DCI/DDCI Executive Staff

SUBJECT : Revision of Non-Restriction Sections  
of E.O. 12036

1. Attached is the latest version of the E.O. 12036 non-restriction section issues paper that has been prepared on behalf of [REDACTED] for the NFAC meeting Monday, 27 April 1981. In order to more fully report on the results of the working group meeting last Monday and to review the issues presented in the attachment, we have scheduled a meeting in the DCI Conference Room for 3:00 tomorrow, Thursday, 23 April. As in the past, we would ask that you or someone authorized to act for you attend if you still have an interest in this subject.

2. You will note that the attachment, except in a relatively few cases, does not propose specific language for the Order but merely seeks decisions on broad issues. The purpose of the meeting Monday will be to decide these broad issues; however, any not identified in the paper need to be discussed tomorrow in order that we might make efforts to include them on Monday's agenda.
